There may be rare occasions when WMOS will be unable to secure appropriate space and supporting equipment to exhibit or show a type of work. If the exhibit issues cannot be resolved satisfactorily within a reasonable period of time before exhibit maps are printed, the artist will be allowed to withdraw from the exhibit and will receive a full refund of the registration fee.

**Use of WMOS Logo.** Artists whose work is accepted in the exhibit will be provided with Event Maps and other material (printed or electronic) announcing the exhibit. Artists are at liberty to create their own marketing materials. All artist-generated postcards must carry the return address of the artist.

**Guest Artists.** Must meet with the site host to outline parameters of the exhibit and to agree about space that will be available for exhibit, schedules for setting up/breaking down exhibit, requests for use of electrical outlets, etc. Unless otherwise agreed upon, artists are responsible for bringing all exhibit furniture and accessories including chairs, tables, easels, etc. Guest artist's pets and children allowed only with prior approval by the host. Any unresolved issues should be addressed to a representative of WMOS immediately in order to satisfactorily resolve any outstanding issues.

**Insurance.** WMOS is not liable for any damage to materials, exhibit accessories or work that takes place during exhibit periods and setting up/breaking down. Artists are individually responsible for managing their insurance requirements.

**Acceptance of Terms.** As a participating artist, I hereby agree and acknowledge that I am solely responsible for insuring my artwork to be displayed at WMOS. Further, (a) I shall be solely and exclusively responsible for delivery and pickup, display and protection of my work before, during and after the event; (b) I shall indemnify and hold harmless WMOS and the owner of the host site (if applicable) for any and all claims of injury or other damage caused to my artwork or to the premises; and (c) I understand that the owner of the host site shall make best efforts to secure the exhibit overnight between April 27 and 28, 2013.
